

NATIONAL SCIENCE FOUNDATION RESEARCH TRAINEESHIP  
INTERDISCIPLINARY COMPUTATIONAL GRADUATE EDUCATION

# NRT-ICGE

2nd ANNUAL  
**OPEN  
HOUSE**

Tuesday, November 7  
3:30 - 5:00 pm  
KL 232

The NRT-ICGE program  
is open to all first-year  
doctoral students  
interested in the  
computational sciences  
(regardless of main field of study)

Join us to learn  
about the program  
and network with other  
grad students interested  
in computational and  
analytical training.

- Expand Computational Skills
- Build Familiarity with Data Analytic Tools
- Problem Solving
- Team Building
- Develop Social Support Networks
- Work with Multiple Mentors from Industry and Academia
- Great Career Preparation
