

Master's Academic Timeline

Pre-Candidacy: Complete Coursework and other Requirements

Advancing to Candidacy (*specific programs have different requirements, make sure to connect with your program)

Apply for Graduation

Upload Thesis onto ProQuest or Project onto eScholarship.

Submit all required documentation to Graduate Services on or before end of term.

Graduate Services will review all documentation and student's record to confirm all degree requirements are fulfilled. After confirmation is complete, a degree conferral letter is sent to the student 3-4 weeks after end of term.

Confirmed documentation is sent to the Registrar office for final processing and updates to your academic record.
